 2. *On the Day:*
At the meeting on 22 Oct 2011 the procedure for scratching your horse due to illness/lameness at a competition was discussed. The Committee respects each rider’s right to acknowledge when their horse is not able to compete for a variety of reasons, and we recognise that the responsible course of action is to scratch.
However if you would like to get your run refund of 50% by Committee you should make every attempt to do the following :
 1. make 2 members of the Executive aware of your decision
 2. if possible show these persons the nature of the problem via physical exam/photo/video
 3. inform the Event Penciller and/or Judge of your decision **(50% of entry fee Refunded—Updated 6/8/22)**
- ◆ **Horse Substitution**
Following illness/injury occurring after Tuesday night, a horse of a similar status may replace the initial entry. No additional events may be entered and any events the replacement horse is not eligible for are considered to be a scratching and entry money forfeited. Please notify the Secretary if substituting a horse.
- ◆ **Finals Qualifications** – ** updated 16/8/25
If you have suffered any Hardship you may apply to the Exec Committee for a review.
 - i) **Horses** need to have completed 2 Drafts in the Event you wish to compete in at the Finals.
 - ii) **CHALLENGE** You must compete in 2 Challenge Events to be eligible to enter the **Finals MAIDEN Draft.**
* If a horse changes status, late in the season, it is then granted entry in the higher status level event.
 - iii) If you have competed in the 2 Drafts in **any event** you are then able to **enter the Open Final if you wish.**
 - iv) The FINALS Open Draft is open to all classes of horses who have completed the 2 draft qualification rule that season.
If a horse changes status, late in the season, it is then granted entry in the higher status level event.
(Keep in mind that an Open win will affect your eligibility for some events on that horse in the future).
- ◆ **CODE OF CONDUCT** — Members, Volunteers and Spectators are required to adhere to the Club’s & the CCA CODES OF CONDUCT.

Members and competitors should always be aware that campdrafting is a family sport and should whilst competing, dealing with organising committees, other members and volunteers act with integrity, sportsmanship and courtesy. Members should always keep in mind that many members of organising committees, cattle donors are volunteers & do not compete themselves.

They deserve the utmost respect for the sacrifices they have made which enables our members to compete.
